

Course Objectives

The CCNSG Supervising Safety Course is a one-day course with the aim of setting the scene within the context of legislation and general Health and Safety aspects. The CCNSG Supervising Safety Course is valid for three years from the date of training and you must hold a current Safety Passport to be eligible to attend.

As part of the course delegates will be expected to deliver a short Toolbox Talk to their fellow delegates.

Designed For

Safety Passport holders with Supervisory responsibilities
This course is the 'third day' of the CCNSG programme.
